AVG 4.1 Developing Knowledge of WIDA Interpretive Rubrics

Using Text and Video to Build Knowledge of Interpreting Speaking and Writing Performances

Think About

- How could I use formative assessment to better
- How will we use these in developing assignments and assessments?

Instructions

- The WIDA Speaking and Writing Interpretive Rubrics are analytic scales that help educators understand what students’
speaking and writing sounds and looks like at various levels of English language proficiency.

- It allows teachers to diagnose the language development of the ELs they are teaching.
- The following videos explain and illustrate how Speaking and Writing Interpretive Rubrics are used and how they are interpreted.
- As you listen to the videos, refer to and jot notes on the WIDA writing and speaking rubric provided.
