

Vertical Maze

Greetings, *Double-O-STEM Club* Agents! We need you for this important mission. Ameer and Leah need your help with a problem at the community center.

Think about these questions as you watch the video. Write answers in your *Double-O STEM Club* notebook.

1. What are the community center directors looking for?
2. What idea does Ameer like the most?
3. What details does Leah consider about the new idea?
