

# Microsoft Word Conversion

By default, all chapters are available for download as Microsoft Word documents. To download a chapter, navigate to the chapter and append "/ms\_word" to the end of the URL.

For example, the URL for this chapter's Microsoft Word download is [https://edtechbooks.org/userguide/ms\\_word/ms\\_word](https://edtechbooks.org/userguide/ms_word/ms_word)
