

Community Meeting 2021

Royce Kimmons

This presentation was delivered on December 9, 2021 as part of our inaugural EdTechBooks.org Strategic Planning Meeting. In this meeting, we explained the current state of the site and provided the community with opportunities to give feedback, ask questions, and shape priorities for the site's future.

The slide displays an organizational chart on the left and a list of services on the right. The chart shows a 'Project Lead' at the top, branching into 'Student Copyeditor', 'Student Researcher(s)', and 'Journal Editor 1'. Below 'Student Copyeditor' and 'Student Researcher(s)' are 'Book Author 1' and 'Book Author 2'. Below 'Journal Editor 1' are 'Article Author 1' and 'Article Author 2'. Further down are 'Chapter Author 1' and 'Chapter Author 2'. Ellipses indicate additional roles and authors. To the right, a list of services is provided, including platform development, hosting, accessibility optimization, graphic design, content editing, and tech support. A note at the bottom states that these services are provided at no cost to authors or students. The EdTechBooks.org logo is in the bottom right corner.
