Instructions

1. Review the Inclusive Pedagogy framework on page A-2 of appendix A. Pay attention to the Five Characteristics, Goal Questions, and Reflection for Change Questions.
2. Divide the students into five groups and assign each group one of the characteristics from pages A-3 through A-10 of appendix A.
3. Each group will read the materials and discuss the content of the standard along with the Goal Questions, and Reflection for Change Question.
4. The group will then plan a 5 minute presentation for the class reviewing the characteristic and content including personal examples from their own teaching and suggestions for teachers.

Note: Inclusive Pedagogy is the Framework for one of the capstone projects which is a portfolio. Each section of the portfolio represents a different Inclusive Pedagogy characteristic. The section will include an artifact that demonstrates your understanding of the characteristic with a brief description of the artifact and how it relates to the characteristic, and your personal response to the reflection for change question.
