**Instructions**

Each Week’s Reflection Journal (to be completed after each session) should be a log you keep online to respond to the changes you are making throughout the ESL Endorsement. You need to have it completed each week and the facilitator will grade it. You may also be asked to turn it in on a weekly basis.

Since completion of the Language Acquisition class, what have you newly applied from your learning to your current practice?

1. Think of what action you took last week. Describe it.
2. What event either before, during, or after your action sticks in your mind. Write the details.
3. Now write about--What did you learn, unlearn, and relearn this week?
4. What are the next steps you will take in your practice? What do you hope will result?
