

Bike Lane Barriers

Greetings, *Double-O-STEM Club* agents! You have been selected for an important mission. Ellie needs your help with a problem in her community.

Think about these questions as you watch the video. Write answers in your *Double-O STEM Club* notebook.

1. What are Ellie and her family interested in learning?
2. What does Ellie learn from the trainer about the problem?
3. Who will benefit from the solutions?

Watch on YouTube <https://edtechbooks.org/-kSb>

After students watch the video, click the activity links below to start this mission.
