

Topic 6. The Structure of State and Local Government

If “all politics is local,” as former Speaker of the House Tip O’Neill among others once said, then it is vitally important to understand the functions of state and local government. Such governments are the ones closest to where people live and their policies can have the greatest impacts on people’s daily lives.

The media literacy activities in this section investigate topics where state and local government actions impact people and where people impact state and local government policies, including Native American mascots and logos, individual rights and privacy online, military recruitment, state-

sponsored lotteries, COVID-19 pandemic and environmental protection policies, campaigns for public office, and digital democracy at state and local levels.

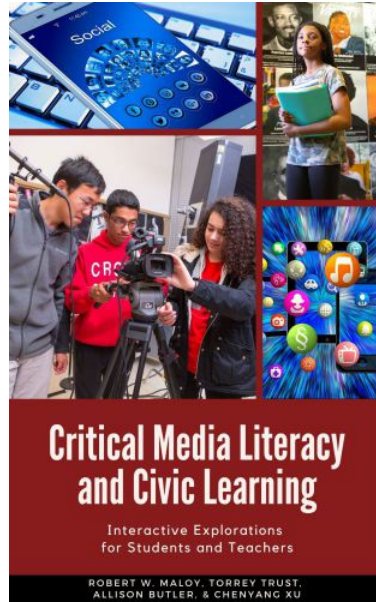

Media Literacy Activities Choice Board

<p>Propose a New Logo Honoring Native Peoples' Influence on U.S. Government</p> <p>Design a logo for a local or state government committee.</p> 	<p>Design a Constitution for the Internet</p> <p>Create a list of principles for Internet users to abide by and use this list to create a Constitution for the Internet.</p> 	<p>Assess Media Use for Military Recruitment</p> <p>Research the armed services' use of media for recruitment and share your findings.</p> 	<p>Propose an Amendment for the Right to Privacy in Digital Settings</p> <p>Review various websites' privacy policies and propose a Constitutional Amendment about the right to privacy in digital settings.</p>
